SUPPORT THE ANIMALS BILL

Every year in NSW more than 60 000 unwanted pets are euthanased in pounds. The Animals (Regulation of Sale) Bill is the first step to ending this tragedy.

Be a hero and speak for those who can't. The dogs and cats of NSW need you to help protect them from abandonment, neglect and suffering.

Contact your local MP and tell them to vote in favour of the Animals Bill. Remind them of the need to have strong legislation to protect our pets.
